
Title: Medikal Buuk Vol 2

Author: Zingu an Krei'Koug

Insumnia- Da ork whu iz
habin pwublemz sleeping,
ju conk hem ober da
head wit a bashur, it
shuld put hem tu sleepie.
Dyarrehia- Ju put
a wuuden stoppa ub hiz
buutem and seal in
der su nub bwun
stubb nub kume owt.

Dehidwation-gibe hem luts
ob bluudale, sume hab
been knuwn tu fake diz
tu git bluudale, ib der
mouth iz nub dwy, dey
fakee it, den klump dem.
Flatuulencze- Diz when da
orc can nub stup makin'
funni nusies an' smelli air.
Diz is a cummun pwoblem
wit runtz. Unley whey tu
deal wit it iz tu makee
dem clamp der bowels, ib
dey dun't, klump dem.
Vumitin'- Diz when da orc
start pukin' der gutz
owt, diz uzaulli happenz
when land lubber orcs are
et sea, all ju kan du iz
gibe dem a bucket and
let dem bwing it owt har
harr harr!
Scurvy- Diz when da
orc's teeth an' armz
start fallin' uff, da only
wey tu pwevent diz is tu
makee hem suck un a
lemon all dey, harr!
Pink Eye- ACK! Dat umie
lubbur 'ab elbie-kullur
eyez! Poke dem owt wit
a pokur!
Bluudi Flux- When da orc
iz..errhm...iz dizchargin
bluudi stubb frum hiz

bowelz, diz iz moja bad,
ju hab tu bi moja realli
kareful an weach in dere
and get dat stubb owt
and git da icky stubb..
Bubunik Plague- Diz iz
when da orc haz funni
blak spotz on hem,...chuck
hem in da dungeon and
let hem rot, unli kure iz
tu BLEED HEM! Harr
harr!

Da Kompllicated moja
sicknezzes-oder knuwn az
da "mojo scawry
sicknezzes nub-une wuntz
tu git"-Chp2

Wetardenezz- It hab been
rwumored dat sume ob
dose humie mahjukerz hab
a moja spell dat letz
dem makee dem viktimz
toopid! Wetardenezz is da
humie wurd fur toopid.
Whun an orc iz cazt wit
diz mahjuk, it usaulli duez
nubting sinze da orc iz
alweadi tuu dull fur ani
effeekt. But sumetimez,
ib sume orcz hab bwainz
insteb ob roks, dey kan
go toopid ib dey are
mahjuked bi da humie
pugdungs.

Symtomz ob Wetardnezz-
-Ekcessive Druulin'
-Ekcessive blah ob
"du'h"ing
-Inhabiliti ob duing basik
taskz

Huw tu twear-
Da unli wealli effektive
wey ob tweatin' diz
dieseze iz ib da orc
mahjuker, ur shamun,
curez ju wit moja
mahjuk, which iz stull a
myzteri ob whut dey du,
mozt ob da tyme,
wetardnezz is juzt
tempurari, bud itd can
lajt fureber ib ju git a
nazty bump un da hed in
a soft sput, mozt iz

stull a myzteri.

Curpruz Dieize (ur da
angri brain eatin' zombie
diezie)-

Diz deizie iz unli seen in
rare cazes, itz mojo hard
tu catch, bud mojo hard
tu git wid ob! It iz
rumored dat detties
sumetymez harbor diz
deisez in dem, ur ju kan
get en contact wit da
deizse ib ju git cut or
marred bi a dettie, but
itb stull bi mojo hard tu
git. Whun ju du git it,
ju turn gwey and start
moanin and gruwling and
twying tu eat jur orc
freindz!

Symtoms-

-Orc startz tu turn gwey

-Orc gits a new taste

fur brains an' gutz

-Orc startz moanin' and

groanin' mojo lutz

-Startz walking mojo

weird wit it dwaggin' it'z

feet an' habbing armz

sweatched owt.

-Vewi, vewi sluw at

movin'

How tu tweek-

Dere are unli a few weyz

ob tweekin diz deizie-

1. KILL DEM ALL, but

dat gibes a big mojo

populatiun lozz

2. Mojo guudi-durer

mahjuk, sumeting orcz nub

hab, humiez hab (---->)
